

Tips for the Brides

The Lake of the Ozarks Wedding Expo is an exciting and fun event that can help you along with your wedding plans. You'll be able to get ideas, hire vendors, and look for deals and/or specials of the day. It is an opportunity to meet face to face with companies to see if they are the right fit for you. Here are a few tips to get the most out of your day!

1. Create a wedding only email, ie. jonesweddingloto@gmailcom
2. Bring someone with you – a bridesmaid, mom, a friend, or your fiancé. They can help take notes and gather ideas and literature for you.
3. Bring pre-made labels to save you time and finger-cramps. This can be very helpful as you sign up for prizes and for requesting additional information (name, fiance's name, email, phone, address, date of wedding).
4. Ask questions, take notes, take pictures. This will help you remember who you talked to.
5. Know what vendor categories you're looking for. Planning your priorities can help reduce stress and allow you to focus on your specific needs.
6. Have your calendar with you for setting up appointments.
7. If you find a company that you're sure about, be prepared to book deposits that day. Your date may not be available after the show. And be sure to take advantage of Show Specials.
8. Get your tastebuds ready.
